

Please review the following terms and conditions regarding your order with DL Supply:

Dyed Mulch

Please be advised that all color-enhanced mulch requires a 24-hour cure time to prevent washout.

We do not recommend applying this mulch if rain is expected in the immediate future. Please note that DL Supply is not responsible for color washout once the product has been delivered or applied.

Product Variation

Natural stones vary in pattern, texture, and color. Please be aware that stone ordered later may differ in color and shape from previous orders.

Payment and Ownership

Customers are responsible for payment in full once an item is delivered on-site. If you determine that the product ordered is not what you require, you will be responsible for all original delivery charges and any costs associated with reloading the product. All products remain the property of DL Supply until payment is received in full. We retain the right to remove any product delivered from the property until full payment is made.

Delivery Liability

If an order is requested to be dropped beyond the curb line, the customer assumes liability for all damages to sidewalks, driveways, lawns, or other property. This includes responsibility for any costs or expenses incurred because of such placement, including the cost of equipment needed to extract a delivery vehicle if necessary.

By proceeding with this order, the buyer acknowledges and understands all the notices listed above
